**Wednesday 12 Aug 2009**

*For I testify that they gave us much as they were able, and even beyond their ability. Entirely on their own, they urgently pleaded with us for the privilege of sharing in this service to the saints. And they did not do as we expected, but they gave themselves first to the Lord and then to us in keeping with God's will.*

2 Corinthians 8:3-5

# message

Dear donors, diners and golfers,

We are living in a world where '40% children are malnourished, 20% families do not have access to safe drinking water', and thousands of people are dying from starvation and infectious diseases by the day.

In the early 19<sup>th</sup> century, doctors and nurses could only show care and compassion as patients succumbed to ravaging diseases like cholera, malaria, tuberculosis, appendicitis or heart failure. Today, with new knowledge, better pharmaceutical products, improved techniques and technology, doctors are better equipped to deal with the ailments. But healthcare continues its dismal state because money from agencies and governments go mainly to curative services at the tertiary level.

Supporting MMF is a paradigm shift from 'fire-fighting' relief in disaster situations. MMF tries for the long haul. Through your help each year, it partners Singaporean medical and dental workers who work quietly and sacrificially, trying to empower the needy in areas of poverty and deprivation. Away from the limelight, they serve with "the love of Christ for all men, from a sense of awe, and an awakening of Christian conscience". For the 18 medical and dental missionaries, their divine calling has enabled them to deliver the gospel and serve in the 3<sup>rd</sup> world countries, where health, socio-political and terrorism problems abound.

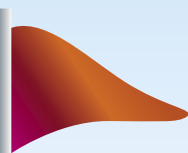

Thank you for helping them to 'light the candle' by your support.
